

Create and Manage your Summer Opportunities

MEHAR S. JOHAL | SENIOR – SOUTH BRUNSWICK HIGH SCHOOL, NEW JERSEY

Executive Summary

This new feature added in the [HS Navigator website](#) allows school counselor to create their own list from the list of more than 4000 summer programs or internship and more. They can also download their list as Excel spreadsheet to post on their school pages. It also allows to add or edit or manage any missing program which are part of your current program and not listed on [HS Navigator website](#).

Enhancement details

There are three major menu items that are part of these new enhancements and they are highlighted below. All these were covered in details in later part of this document

1. **LOGIN/LOGUT button.** This is used to register your Userid, **Logon** and manage your summer opportunities and to **Logout** of the [website](#).
2. **MYLIST button.** This is used to add any missing program from HS Navigator Website. Once **added**, it can also be **Modified** or **Deleted** using this part of the menu. PLEASE NOTE that this is only visible when you logon to the [HS navigator website](#)
3. **SEARCH Button.** This is used to **Create** your list and to **Download** Excel/CSV file.

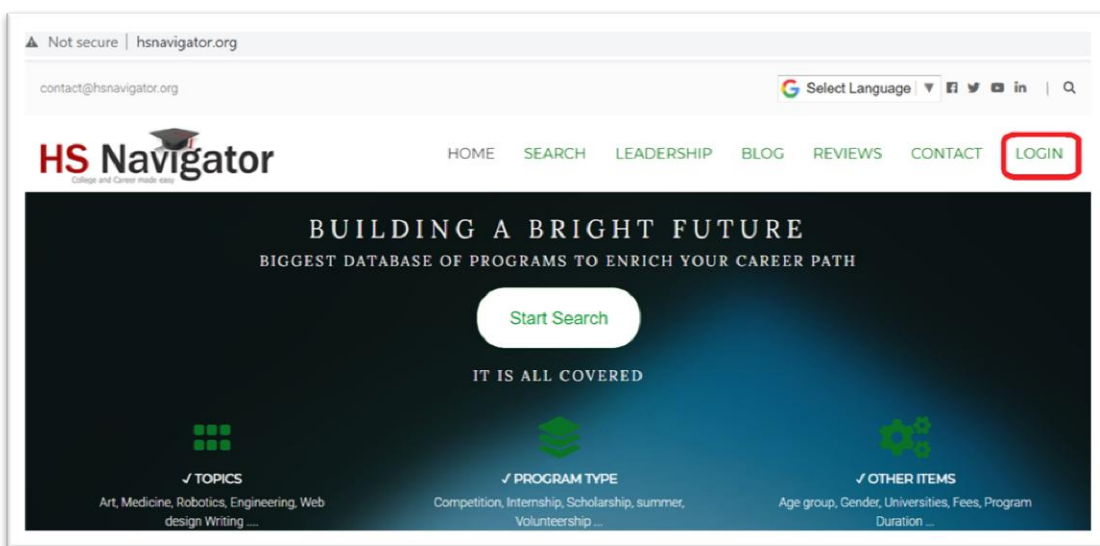

LOGIN Menu

As mentioned earlier, Login menu is used to

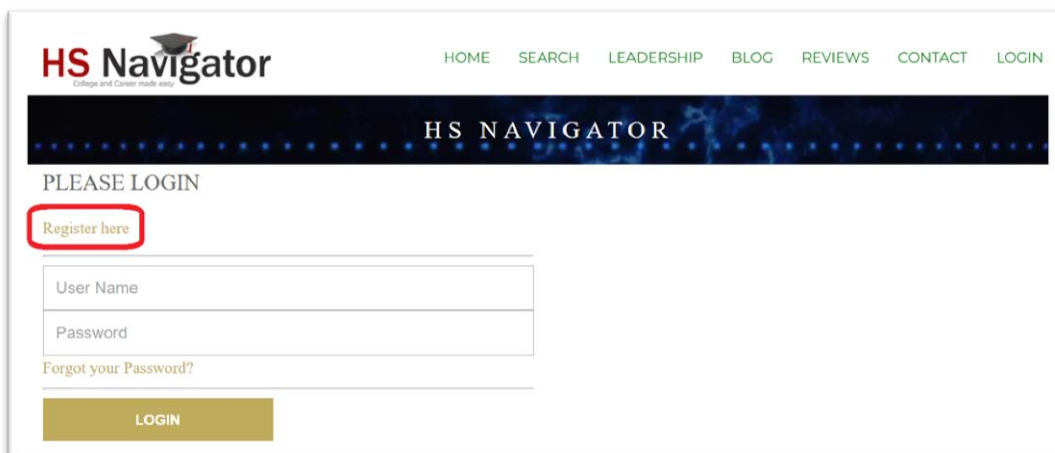

1. **Register with the [HS Navigator Website](#).** This is only required if you want to create and manage your list for permanent use as otherwise this is not required.
2. **Login to the [HS Navigator Website](#) to Create and manage your summer programs.**
3. **Change your Password/**

Registration to HS Navigator:

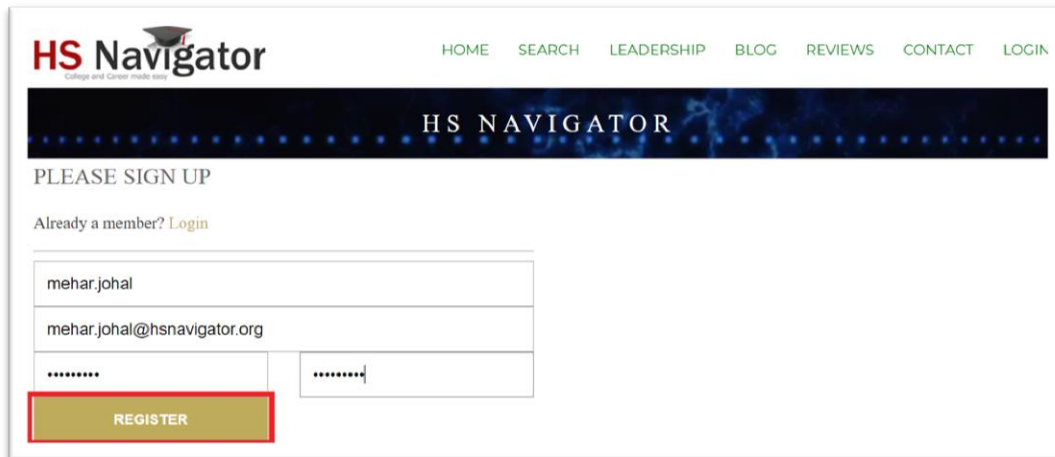

1. Login to [HS Navigator Website](#) and Click on LOGIN Menu

2. Register your Userid to get access to manage your listing on [HS Navigator website](#).
 - i. If you had already registered then can use this page to logon or else click on Register here to create your userid

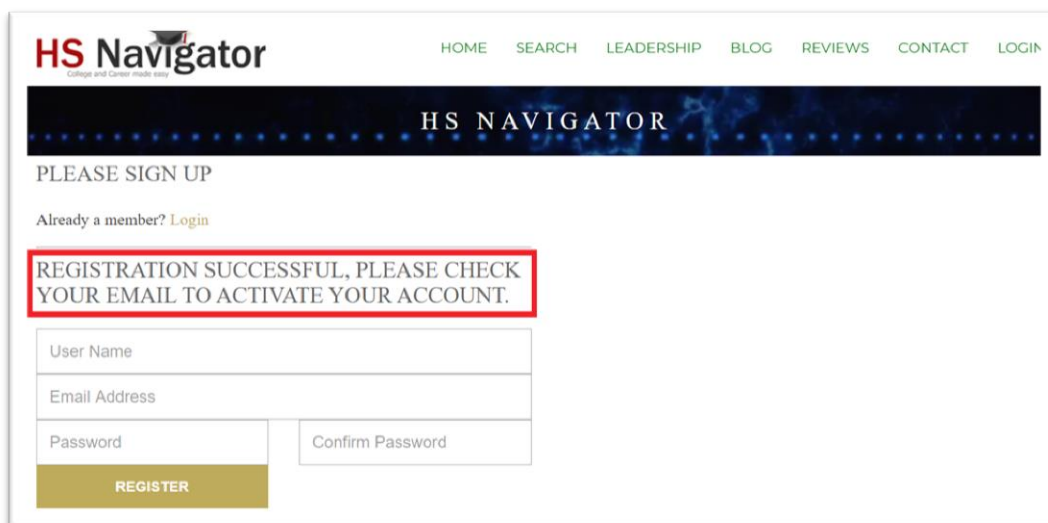

- ii. Provide your Userid, Email ID and Password to generate email for verification. Click on Register to complete the registration.

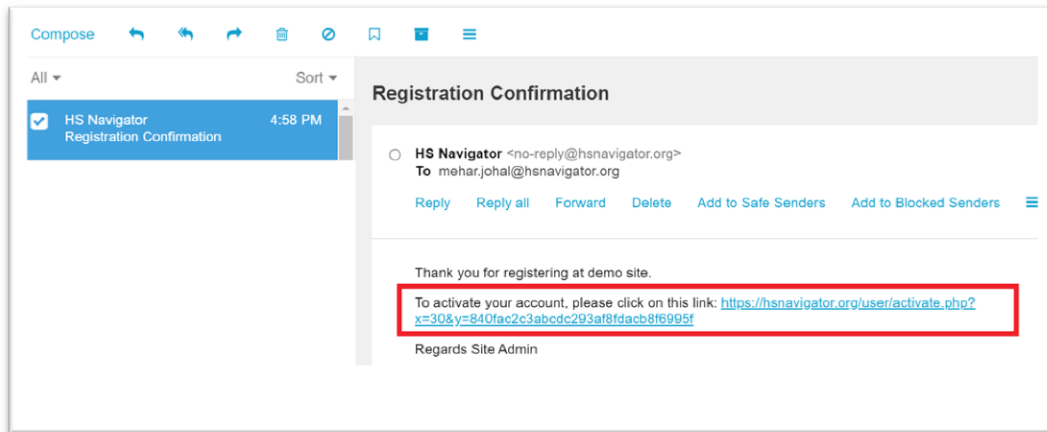

The screenshot shows the HS Navigator website's registration page. At the top, there is a navigation bar with links: HOME, SEARCH, LEADERSHIP, BLOG, REVIEWS, CONTACT, and LOGIN. Below this is a dark blue banner with the text "HS NAVIGATOR" in white. The main heading is "PLEASE SIGN UP". Below the heading, there is a link "Already a member? Login". The registration form consists of four input fields: "User Name" (containing "mehar.johal"), "Email Address" (containing "mehar.johal@hsnavigator.org"), "Password" (containing "*****"), and "Confirm Password" (containing "*****"). A red box highlights the "REGISTER" button at the bottom of the form.

- iii. You will get the screen that Registration is successful and check your email to activate your account

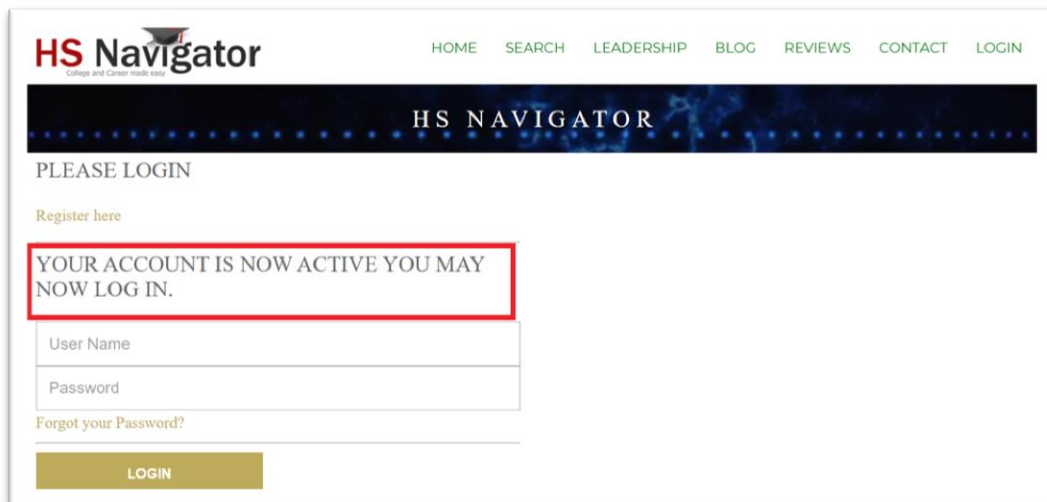

The screenshot shows the HS Navigator website's registration page after a successful registration. The navigation bar and banner are the same as in the previous screenshot. The main heading is "PLEASE SIGN UP". Below the heading, there is a link "Already a member? Login". A red box highlights the message "REGISTRATION SUCCESSFUL, PLEASE CHECK YOUR EMAIL TO ACTIVATE YOUR ACCOUNT." Below this message, there are four input fields: "User Name", "Email Address", "Password", and "Confirm Password". A red box highlights the "REGISTER" button at the bottom of the form.

- iv. Open your email and click on Activation link to activate your userid. Click on activate link.

- v. You will see the message that new account is activated and ready to be used to login to the HS Navigator website.

- vi. Login to the [HS Navigator website](#) with your new Login. You can also click on Forgot your Password to change the password.

SEARCH Menu

As mentioned earlier, Search menu is used to

1. To **select and create your List** from available program on HS Navigator website.
2. To **download** Excel/CSV file to share or post on school website

Create your Summer Program List:

1. Once you logon to [HS Navigator Website](#) with your ID, click on **SEARCH** menu to get search page as shown below. You can also see a link in RED to provide some video navigation on the process.

2. Select your required filters and then Click on Search button to get list of programs that meet your search criteria.

3. Now you can see there is a **RIGHT Click button** to select your program which you want to add in your listing

Prove it! Math Academy

Website : <https://proveitmath.org/>

The purpose of Prove it! Math Academy summer program is to provide an introduction to mathematical proof in a creative, problem-solving context. Admissions begin with a test of word problems, freely available online and held in scenic Fort Collins, CO at Colorado State University. It is a residential summer math camp at Colorado State University for talented students 14 to 18 years old. This camp serves as a bridge between programs/contests that emphasize computational abilities and those that expect students to be well-versed in proof writing.

Duration (#days)	Fees	Current Grade
10	\$3290	Current Freshman or Sophomore or Junior or Senior

Program Types
Summer Program

Program Topics
Applied Science Construction Engineering

Stanford Artificial Intelligence

Stanford : Artificial Intelligence Laboratorys Outreach Summer Program (SAILORS) - Stanford AI4ALL

Website : <http://ai4all.stanford.edu>

Stanford AI4ALL intends to increase diversity in the field of Artificial Intelligence by targeting students from a range of financial and cultural backgrounds. Our mission is to inspire tomorrow's leaders to know, think and use Artificial Intelligence. The Stanford Artificial Intelligence Laboratory has opened its lab doors with a program aimed at young women and will give participants the opportunity to learn about artificial intelligence in a hands-on and supportive environment alongside top faculty and grad students. Students in Stanford AI4ALL will divide their time equally between studying the curriculum designed by AI4ALL and partaking in ongoing research projects at the Stanford AI Lab.

MYLIST Menu

As mentioned earlier, Mylist menu is used to

1. To **Add missing program** on HS Navigator website.
2. To **Edit or Delete** your newly added program

Add your Summer Program :

1. Once you logon to [HS Navigator](#) Website with your ID, click on **MYLIST** menu to get the following Menu. Click on ADD(+) to add new program to your list as well to the [HS Navigator website](#). PLEASE NOTE that any newly added program will need Approval from [HS Navigator](#) Admin before the newly added program is visible on your list as well as to public.

The screenshot displays the 'MYLIST' menu interface for adding a new program. It features several filter sections:

- Program name:** A text input field with the placeholder 'name'.
- Program Type:** A row of buttons: Awards, Competition, Conference, Internships, Scholarship, Summer Program, and Volunteers.
- Current Grade:** A row of buttons: 9, 10, 11, and 12.
- Gender:** A row of buttons: Boys Only, Girls Only, and All (which is highlighted).
- Fees:** A row of buttons: Award, Free, Paid Program, Scholarship, and Stipend.
- Duration:** A dropdown menu currently set to 'All'.
- Topics:** A text input field with the placeholder 'All'.
- University:** A text input field with the placeholder 'All'.
- State:** A text input field with the placeholder 'All'.
- City:** A text input field with the placeholder 'city'.
- Fee Amount**:** Two input fields labeled '\$ From' and '\$ To'.
- Show past records?:** Two buttons: Yes and No (which is highlighted).
- Sort By:** A dropdown menu with the placeholder 'Select an Option'.

At the bottom of the form, there are two buttons: 'SEARCH' and 'RESET'. A green button with a white '+' sign is located in the bottom right corner of the form area.

2. Add the required data for your new program and Click on ADD button
